

Elder Nomination Form

The Constitution of Pathway Community Church Article IV; Section 1; Paragraph 2 states that, *“once the Elder Appointment Process has been initiated by the Elders, any active resident member may nominate another active resident male member for the position of Elder.”* In order to qualify as an elder, the person must have been a Christian for at least two years and a member at Pathway for at least one year.

Below, there are lines to write down the names of the members you would like to nominate. You may nominate as many people as you desire but, we ask that you nominate after prayerful consideration. The nomination process will be active for a total of three weeks.

We value your input and covet your prayers as we prayerfully conduct this important process of identifying those whom God is calling to serve.
